

LUCKY LOTTO INSTRUCTIONS

Each player receives one card & writes down a number between 1 & 30 (only using a number one time).

Caller uses Bingo cards or balls but only says number (not Bingo letter).

Players use poker chips or bottle caps to cover numbers their numbers that are called.

First Player to get all their Lucky Lotto numbers covered is the winner.

Once there is a winner, players clear their cards and begin another game.

This activity typically lasts 35 – 45 minutes.
